

Measuring the Economic Impact of Public Transport Investment

Client

American Public Transportation Association
(APTA)

Facts

Period 2015

Project Country United States

A PowerPoint presented by Glen Weisbrod on Wednesday, October 7th, 2015 at the American Public Transportation Association (APTA) Annual Meeting in San Francisco. Mr. Weisbrod was on a panel speaking on the topic of "Measuring the Economic Impact of Public Transport Investment."

The APTA report, "[Economic Impact of Public Transportation Investment](#)," shows how to measure public transportation's impact on economic productivity and shows that productivity gains last long after the short-term effects.
