

Transit Economic Impact Tool

*Analyze the local
economic impacts of
transit with this
simplified calculator*

TREDTransit

Client

American Public Transportation Association

Facts

Period

2017

Project Country

United States

EDR Group (now EBP) developed this web-based calculator tool to show the economic impact of local transit spending. It is designed around a simple data entry of transit agency annual budget information that is compatible with what agencies provide to the National Transit Database (NTD) for annual reporting summaries. This tool is a cloud-based system utilizing a vast database of economic data.
